So thanks to ALL members who helped... whether it was stewarding (our stewards are the BEST!), bringing stuff for the auction, refreshments, helping set up or take down....Thank you to one and all....This is a team effort and I thank you all!

The regular monthly meeting of the Saccarappa Obedience Club was held on Wednesday, September 28, 2011 at the Barron Center. The meeting was called to order at 7:09 P.M. by President, Mary Jo McCormack. There were 17 members and 1 guest present.

Secretary's report was accepted as read.

Treasurer's report was accepted as read. Bob Cuzner made a motion to pay the bills and was seconded by Ginny.

Correspondence:

The Club received a note from the photographers with a donation of 10% of what they made at the trial. Lois sent a note thanking the Club members for their thoughts while she recuperated from her injury. The judges sent an e-mail as to how well the Stewards did at the trial.

Committee Reports:

Trial Committee - Everything went very well at the trial. Jolene did a super job on the auction table. Everybody did a really great job on everything. Could have used a little more help on both ends. Rebecca did a great job on the trophies. Maybe we need to put a sign up about staying with your dog.

Training Committee - Beginner and puppy classes are full. We are getting inquiries about next session. Monday nights are full.

Membership Committee: We received a membership application from Janis Albright. She was voted in unanimously.

Unfinished Business:

Does anyone have a problem with the free training after you have been a member for 25 years that was brought up at the last meeting. There was no problem. Nanci made a motion that any member who has been with the Club for 25 years or more get tree training in any of the SOC regular classes and was seconded by Bob Cuzner. Motion passed.

New Business:

Genice brought up that it might be nice if we issued membership cards to people when they become members.

We are going to hold the Christmas party at Nanci's home again this year? The Christmas party will be Sunday December 4th at Nanci's home. December 18th will be the snow date.

A thank you goes out to Jerry for manning the phone. Brenda is going to do the phone and there will be a message on who to call or go to the website for information.

A motion was made by Nanci to adjourn at 8:10 P.M. and seconded by Carol Dunham. Motion passed.

Respectfully submitted,

SACCARAPPA 20 YEAR HISTORY

I was going through some old club info and found this 20 year history which was written by Betty Lowell.

Our club was started 20 years ago in July 1966, and except for holidays and storms, has held continuous classes each week since then. We were known as Maine-ly Obedience Club and started holding classes at the Rod & Gun Club on Spring Street in Westbrook on Thursday evenings in September 1966.

The first newsletter was printed in April 1969. It was at first put out quarterly, then monthly and has continued so ever since... with 8 different editors since it's beginning.

We held our first fun match in January 1968, and continued to hold fun matches at least twice a year while we negotiated with AKC to allow us to hold sanctioned matches and licensed trials. After conforming to their suggested by-laws and changing our name to the one they approved, we were eligible to hold our first AKC sanctioned "B" match. Our name became Saccarappa - which is the old Indian name for Westbrook, and our first AKC match was held in Sept 1972 with an entry of 74. We held the required 2 "B" matches then the required two "A" matches and finally our first trial on October 12, 1974 with an entry of 70. We held licensed trials in both spring and fall of 1978 and since we started we have held 15 AKC matches and 14 trials. We are STILL the only obedience club in the state of Maine eligible to hold AKC events.

Through the years we have held demonstrations at nursing homes, schools, malls, parks and for Westbrook functions. We've sponsored tracking clinics, seminars, a childrens dog show, tattoo clinics and we've tried to donate when possible to the Morris Animal Foundation, the Baxter Animal Shelter and the MSSPA.

Our first scholarship to a Westbrook High school student was awarded in 1977 and has been given annually since then. The first recipient was Elizabeth Chayer, who then attended Thomas College and majored in Animal Husbandry.

We have as members, Maine's only AKC obedience judge, who is licensed for the Novice and Open classes and is provisional in Utility and we also have Maine's only AKC provisional tracking judge.

Over the years we have had: Maine's 1st and 2nd UDT German Shepherds, Maine's 1st & 2nd, and still only UD Irish Setters, Maines 1st Sheltie Champion who became the 1st Sheltie UD in the state, Maines 1st and only Dandie Dinmont UD, Maine's `1st Siberian Husky CD and Maine's 1st siberian CDX, Maine's 1st Beagle CDX and Maine's 1st and only OT Champion. Nationally we have had the 3rd ranking obedience Irish Setter in the US for two years and one of them became the #1 ranking obedience Irish Setter in the country, we had the 5h ranking obedience St. Bernard in the country who nationally had the highest total score in earning her CD, one of our members had the 5th ranking obedience Golden Retriever in the country, who was also #6 Sporting dog and #21 All Breeds, we had the 2nd ranking obedience Whippet of all time in the nation and we have the 5th Dandie Dinmont to ever earn a UD.

In the last 20 years our members have earned 190 CD degrees, with 93 of them in three trials. We have earned 54 CDX degrees, with 12 of them in 3 trials. Members have earned 14 UD degrees, 1 OTCH, 5 TD titles and 1 TDx title. In all, our members have earned 265 obedience titles, with 105 of them in only three trials. In addition, there have been 9 Dog World Awards and 35 High Score in Trial awards have been won by 18 dogs owned and trained by 12 of our members.

We've come a long way since the early days of 25 members, small classes, make shift jumps, rope ring enclosures , donated rug pieces for mats and a negative treasury. It is the enthusiasm and sportsmanship of the members that has made the club what it is today --- 20 years later.

Happy Halloween !!

Don't complain, obedience train!
