* *MEMO TO MEMBERS:

I am so sorry - but I forgot to do the newsletter last weekend. Note that meeting is this coming Wednesday at the Barron Center. I will forward the minutes from the April meeting and the May Board meeting in seperate emails.

We are looking for trophies for our September trials ... specifically High Scoring breed specific trophies ie. High scoring Golden Retriever, etc. You can do a trophy for a certain class or highest in trial. Please either see Rebeccah or email her really soon. Absolute deadline is May 31st. Her email is flyballdoggz@gmail.com. Also start saving stuff for our silent auction...once again, Jolene will be taking care of that.

As alot of you know, dog shows are being held at Wassamki Campground this weekend. I would like to thank Lois Hoyt, Pat Aube, Cindy Strumph, Rebeccah Aube, Jeremy Shaw, Jim Shaw & Bob Tripp for stewarding for Vacationland Dog Club on Thursday and Saturday. For a huge change, it was very warm and didn't rain a drop!

Congratulations go out to some members who showed at these shows. Chris Berg & Tycho finished their RA today with 1st place. Jolene DiFazio and Indy finished their CDX on Thursday and won the class. MJ McCormack got two RAE legs Friday and Saturday with Golden, Trot. EdMcLean finished his BN with Corgi Lancer. Drema Shaw got a RA leg with Teddy and 2nd place. Mary Tripp finished her BN with Jack and a 2nd place. Pat Aube, Rebeccah Aube, Jeremy Shaw were all in the Rally Novice team and did us proud~

I know other members were showing, but I don't know how they did. Please send your wins to cmarx29707@aol.com. Thanks!

Check out our website for training class news.... after this course, we're running a short three week "tricks" class and also Rally run thrus. The Tricks class will be limited... and you must sign up for both classes.
