Huge thanks to everyone who helped make our trials successful this past weekend.

We had many wonderful comments from people who had never attended..... the judges were great, stewards were fantastic, trophies, etc were super. MJ and her crew did an awesome job with the food...(special thanks to Martha & Anna who helped out both days). MJ also collected & set up the catalog ads....

From set up Friday night til take down this afternoon, everything was good!! Thanks to all who helped set up and it's always such a job tearing everything down and getting it back on the trailer...I could not believe how much hair was on the floor!

Thanks to Ed for getting the trailer down to the school and back...great job!

Drema spent practically both days at the silent auction, which was very successful. Rebeccah did a wonderful job on the trophies both days and she also printed the catalog and premium list, which was a huge help! And thanks to Lois & Pat for handling the rosettes again.

Thanks to Pat, Chris, Bob C, Carol D, Lois, Connie, MJ, Ed, Rusty, Gene, Barbara, Joey, Jeremy, Jim, Drema, Cindy, Nicky, Bob T for stewarding. Thanks to all who brought food donations.

Huge kudos to Mary Tripp who handles all the paperwork.... and there is ALOT of it! With the new computer program, she is really organized! Great job!

So, thanks to ALL who helped, I hope I didn't forget anyone....thank you to one and all!!

Some vets make paw print ornaments out of clay and it was suggested that we could make paw print ornaments similar to these. However, it was then brought up that these might remind people of their deceased pets. Sue suggested that we make chains out of paw prints in either a white or silver color theme. We could make the ornaments at a membership meeting.
